Judge Blumstein is a lifelong resident of Miami-Dade County. Judge Blumstein has honorably served as our Circuit Court Judge since 2017 just as he has honorably served our nation, state and community together with his wife Dalia and their children. Judge Blumstein commenced his legal practice as an attorney in the United States Navy, Judge Advocate General's Corps (JAG), where he served for over twenty years both on active duty and in the reserves. He has criminal, civil, family, probate and international law experience that have served him well as our Judge and that will allow him to serve the people of Miami-Dade County well when he is re-elected.
